Request for Correction of Inventor's Name

Sir,

It has been noted that a clerical error was made upon filing in the sole inventor's name for the above noted patent application.

The name of the inventor, as it appeared in the original Application Data Sheet, is shown as Gunter Zauner. The correct spelling of his name is Gunther Zauner as it appeared in the filed assignment which is registered under reel/frame no. 014944/0670.

An amended Application Data Sheet bearing the correct spelling is enclosed herewith for replacement of the one on file.

In light of the issuance of a Notice of Allowance in this case, it is respectfully requested that this clerical correction be made before the issuance of the patent.

In case any fee should be necessary, the Office is authorized to debit Deposit Account number 502977 with the necessary fees.

Respectfully submitted,

/Jonathan D. Cutler/
